Dear Shareholder

**Firm Placing of 18,252,000 new Ordinary Shares and Proposed Placing of
a further 15,598,000 new Ordinary Shares at 39 pence per share**

**Authority to allot shares, disapplication of pre-emption rights and
Notice of Extraordinary General Meeting**

1. Introduction

The Company announced on 17 July 2013 that it had conditionally raised, in aggregate, gross proceeds of approximately US\$20.0 million (approximately £13.2 million) through the placing of, in aggregate, 33,850,000 new Ordinary Shares, at a placing price of 39 pence per Ordinary Share (the “Placing Price”) with certain existing and new institutional and other investors (the “Placing”). The Placing, which has been conducted by Mirabaud acting as Sole Bookrunner and Revere Securities acting as US Placing Agent, pursuant to the terms of the Placing Agreement, is conditional upon Admission.

The net proceeds of the Placing will be used to fund the drilling and testing of the sidetrack well: Ogo-1 ST, on the OPL310 licence offshore Nigeria, as referenced in the announcement dated 26 June 2013, as well as for general working capital purposes, including a US\$4 million repayment of the Afren Facility made according to the terms of the Afren Facility Agreement.

The Placing will be conducted in two stages, with the First Placing Shares being placed using the Directors’ existing authority to allot shares for cash on a non pre-emptive basis, as granted at Lekoil’s most recent EGM held on 16 May 2013, and the Second Placing Shares being placed conditionally upon, *inter alia*, the passing of the Resolutions at the Extraordinary General Meeting to be held on 7 August 2013.

Applications will be made for the First Placing Shares and the Second Placing Shares to be admitted to trading on AIM and it is currently expected that trading in the First Placing Shares and the Second Placing Shares will commence on 22 July 2013 and 9 August 2013, respectively.

The Company also announced that, pursuant to certain costs associated with the admission of the Company’s ordinary shares (the “Ordinary Shares”) to trading on the AIM market of the London Stock Exchange, it has settled these costs through the issue and allotment of 250,000 new Ordinary Shares in lieu of payment (the “Fee Shares”). Admission to trading of the Fee Shares is expected to occur on 22 July 2013, in conjunction with the admission of the First Placing Shares.

Following the allotment of the First Placing Shares, the Company will have utilised all of the Directors’ existing authority to allot shares for cash on a non pre-emptive basis. Accordingly, your Board is today convening an Extraordinary General Meeting (the “Extraordinary General Meeting”) to seek Shareholders’ approval to update the relevant Board authorities to allot shares in the Company. These renewed authorities will enable the Directors to, *inter alia*, complete the second stage of the Placing involving the allotment of

a further 15,598,000 new Ordinary Shares, being the Second Placing Shares, for cash on a non pre-emptive basis. Accordingly, completion of the Proposed Placing is subject to Shareholders' approval as well as Admission.

The Company is convening the requisite Extraordinary General Meeting for 11.00 a.m. on 7 August 2013 at the offices of Field Fisher Waterhouse LLP, 35 Vine Street, London EC3N 2PX. This document explains the background to and reasons for the Placing, and why the Directors consider the Placing to be in the best interests of the Company and its Shareholders as a whole and recommend that you vote in favour of the Resolutions to be proposed at the Extraordinary General Meeting, notice of which is set out at the end of this document.

2. Background to and reasons for the Placing

The Company completed its admission to trading on AIM on 17 May 2013, simultaneously raising gross proceeds of approximately US\$49.1 million (approximately £32.0 million).

In June 2013, the Company announced that it had discovered hydrocarbons at the Ogo-1 well, on the OPL310 licence, and that following completion of drilling and testing operations, the Partners in OPL310 plan to drill a sidetrack well, Ogo-1 ST, which will test a stratigraphic pinch out trap on the flanks of the basement high. The net proceeds of the Placing are expected to be US\$19.2 million (approximately £12.7 million), of which US\$15.0 million (approximately £9.9 million) will be applied to the drilling and testing of the sidetrack well, with the remainder being used for general working capital purposes, including a US\$4 million repayment of the Afren Facility made according to the terms of the Afren Facility Agreement.

Also in June 2013, in line with its stated strategy, the Company announced the proposed acquisition of a 6.502 per cent. participating interest (representing c. 16.3 per cent. cost interest and c. 12.2 per cent. revenue interest depending on the extent of cost recovery) in OML113, offshore Nigeria for a consideration of US\$30.0 million (approximately £19.1 million) (the "Aje Acquisition"). OML113 contains the Aje field, which is currently in the development planning stage, with first production expected in late 2015. The Aje Partners plan to drill a well within the next 6-12 months.

The Aje Acquisition is conditional upon, *inter alia*, payment of the consideration, which is US\$30.0 million as adjusted including in respect of any cash calls made between 1 January 2013 and completion, and certain other additional amounts. Based on discussions to date, Lekoil is confident that it will be able to access capital to fund the acquisition and associated capital expenditure.

3. Details of the Placing

The Company has conditionally placed the First Placing Shares using the Directors' existing authority to allot shares for cash on a non pre-emptive basis as granted at Lekoil's most recent EGM held on 16 May 2013. The placing of the First Placing Shares is expected to raise, in aggregate, approximately gross proceeds of US\$10.8 million (approximately £7.1 million) and is conditional only on Admission, which is currently expected to occur at 8.00 a.m. on 22 July 2013. Following their Admission, the First Placing Shares will represent approximately 9.1 per cent. of the Company's then enlarged issued ordinary share capital, which will also include the Fee Shares, and they will be eligible to vote on the Resolutions.

In addition, the Company has conditionally placed the Second Placing Shares. As the Company will have utilised all of the Directors' existing authority to allot shares for cash on a non pre-emptive basis following Admission of the First Placing Shares, the Proposed Placing of the Second Placing Shares to raise, in aggregate, approximately a further US\$9.2 million (approximately £6.1 million) gross is conditional upon, *inter alia*, the passing of the Resolutions at the Extraordinary General Meeting and Admission occurring on or before 9 August 2013 (or such later date as Mirabaud may agree, not being later than 16 August 2013). Following their Admission, the Second Placing Shares will represent approximately 7.2 per cent. of the Company's then enlarged issued ordinary share capital. The Placing Shares will be fully paid and will rank *pari passu* in all respects with the Company's existing Ordinary Shares.

The Placing Price represents a discount of approximately 3.1 per cent. to the closing middle market price of 40.25 pence per Ordinary Share on 16 July 2013, being the last business day prior to the announcement of the Placing.

The Placing Shares have been conditionally placed by Mirabaud as agent of the Company, with certain existing and new institutional and other investors pursuant to the Placing Agreement. Under the terms of the Placing Agreement, Mirabaud will receive commission from the Company conditional on Admission and the Company will give customary warranties and undertakings to Mirabaud in relation, *inter alia*, to its business and the performance of its duties. In addition, the Company has agreed to indemnify Mirabaud in relation to certain liabilities that they may incur in undertaking the Placing. Mirabaud has the right to terminate the Placing Agreement in certain circumstances prior to Admission, in particular, in the event that there has been, *inter alia*, a material breach of any of the warranties. The Placing is not being underwritten.

Applications will be made for the First Placing Shares and the Second Placing Shares to be admitted to trading on AIM and it is currently expected that trading in the First Placing Shares and the Second Placing Shares will commence on 22 July 2013 and 9 August 2013, respectively.

4. Disapplication of pre-emption rights and share capital authorities

As mentioned above, the Directors do not currently have sufficient authority in place under the Articles to undertake the Proposed Placing of the Second Placing Shares. Therefore, the Directors are seeking a specific disapplication of the pre-emption rights set out in the Articles to allot up to 15,598,000 new Ordinary Shares, to allow the Proposed Placing to proceed.

In addition, the Directors are seeking further authority to allot up to 45,467,000 new Ordinary Shares (which in addition to existing non utilised authorities will represent approximately one third of the enlarged issued share capital following the Placing and issue of the Fee Shares) together with an authority to disapply pre-emption rights in respect of up to 23,044,000 new Ordinary Shares (representing approximately 10 per cent. of the enlarged issued share capital following the Placing and the issue of the Fee Shares), subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements or any legal or practical problems relating to such an allotment.

These existing and additional authorities will enable the Directors to carry out the Company's objectives and will ensure that the Company is in a position to pursue and take advantage of growth opportunities as and when they arise. In particular, the proposed authorities are intended to provide the Directors with the flexibility to issue Ordinary Shares, and rights to subscribe for Ordinary Shares, as consideration to vendors of potentially attractive assets and/or to fund the cash consideration element of such potential acquisitions. The proposed authorities will also enable the Directors to raise additional working capital to fund potential future work programmes without having to incur the time delay and cost of convening a further general meeting.

5. Use of proceeds

The net proceeds of the Placing are expected to be US\$19.2 million (approximately £12.7 million), of which US\$15.0 million (approximately £9.9 million) will be applied to the drilling and testing of the sidetrack well, with the remainder being used for general working capital purposes, including a US\$4 million repayment of the Afren Facility made according to the terms of the Afren Facility Agreement

6. Extraordinary General Meeting

Attached at the end of this document is a formal notice convening an Extraordinary General Meeting to be held at the offices of Field Fisher Waterhouse LLP, 35 Vine Street, London EC3N 2PX on 7 August 2013 at 11.00 a.m. to consider, and if thought fit, pass the following Resolutions to authorise the Directors:

1. to allot shares or grant rights to subscribe for or to convert any security into shares pursuant to Article 18 of the Articles up to an aggregate number of 45,467,000 new Ordinary Shares; and

2. to allot shares or grant rights free of the statutory pre-emption rights contained in Article 27 of the Articles in respect of the Second Placing Shares and an aggregate amount equal to 10 per cent. of the enlarged issued share capital following completion of the Placing and the issue of the Fee Shares.

Resolution 1 will be proposed as an ordinary resolution. For the ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 2 will be proposed as a special resolution. For the special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

You should be aware that the issue of the Second Placing Shares cannot take place if the Resolutions are not passed and you are strongly encouraged to vote in favour of both Resolutions.

7. Action to be taken by Shareholders

Shareholders will find enclosed with this document a Form of Proxy/Instruction for use in connection with the Extraordinary General Meeting. Whether or not you propose to attend the Extraordinary General Meeting in person, you are requested to complete, sign and return the Form of Proxy/Instruction in accordance with the instructions printed thereon. To be valid, completed Forms of Proxy must be received by the Company's registrars, Computershare Investor Services (Cayman Islands) Ltd, c/o The Pavillions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible but in any event not later than 11.00 a.m. on 5 August 2013 or 48 hours prior to any adjourned meeting. To be valid, completed Forms of Instruction must be received by the Depositary, Computershare Investor Services Ltd, c/o The Pavillions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible but in any event not later than 11.00 a.m. on 2 August 2013 or 72 hours prior to any adjourned meeting. If your shares are held in uncertificated form through DIs, you will also be able to appoint a proxy using CREST.

If you complete and return a Form of Proxy/Instruction, you may still attend and vote at the Extraordinary General Meeting in person should you subsequently decide to do so.

Please read the notes to the notice of Extraordinary General Meeting and the accompanying Form of Proxy/Instruction for detailed instructions. The attention of Shareholders is also drawn to the voting intentions of the Directors set out below.

8. Recommendation

The Directors believe that the Placing will promote the success of the Company for the benefit of its members as a whole and, accordingly, unanimously recommend that Shareholders vote in favour of all of the Resolutions to be proposed at the Extraordinary General Meeting, as they intend so to do or procure to be done in respect of their own beneficial and other connected interests, amounting in aggregate to 51,351,153 existing Ordinary Shares which represent approximately 28.1 per cent. of the Company's existing issued share capital.

Shareholders are reminded that the Proposed Placing of the Second Placing Shares is conditional, *inter alia*, on the passing of the Resolutions to be proposed at the Extraordinary General Meeting. Should the Resolutions not be passed, the Proposed Placing of the Second Placing Shares will not proceed and the associated subscription monies in respect of the Second Placing Shares will be returned to investors.

In the event that the Resolutions are not passed, the Company will be required to secure alternative sources of funding in order to complete the drilling and testing of the sidetrack well.

Yours faithfully

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company has specified that only those members entered on the register of members at 6.00 p.m. on 5 August 2013 (or in the event that this meeting is adjourned, on the register of members 48 hours before the time of any adjourned meeting) shall be entitled to attend, speak and vote at the meeting in respect of the number of ordinary shares in the capital of the Company held in their name at that time. Changes to the register after 6.00 p.m. on 5 August 2013 shall be disregarded in determining the rights of any person to attend, speak and vote at the meeting.

Appointment of proxies

2. Members are entitled to appoint a proxy or proxies to exercise all or any of their rights to attend and vote at the meeting. A proxy need not be a shareholder of the Company. A shareholder holding two or more shares may appoint more than one proxy in relation to the Extraordinary General Meeting. Please contact the Registrar if you wish to appoint multiple proxies.
3. The completion and return of a Form of Proxy/Instruction whether in hard copy form or in CREST will not preclude a member from attending in person at the meeting and voting should he or she wish to do so.
4. To be valid, the Form of Proxy and the power of attorney or other authority (if any) under which it is signed or a certified copy of such power or authority must be lodged at the offices of the Company's registrars, Computershare Investor Services (Cayman Islands) Ltd, c/o The Pavillions, Bridgwater Road, Bristol BS99 6ZY, by hand, or sent by post, so as to be received not less than 48 hours before the time fixed for the holding of the meeting or any adjournment thereof (as the case may be). To be valid, the Form of Instruction and the power of attorney or other authority (if any) under which it is signed or a certified copy of such power or authority must be lodged at the offices of the Depository, Computershare Investor Services Ltd, c/o The Pavillions, Bridgwater Road, Bristol BS99 6ZY, by hand, or sent by post, so as to be received not less than 72 hours before the time fixed for the holding of the meeting or any adjournment thereof (as the case may be).

CREST Voting Instructions for Depository Interest Holders

5. Holders of Depository Interests in CREST may transmit voting instructions by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf. In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (a "CREST Voting Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST).
6. To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent (3RA50) no later than 11.00 a.m. (GMT) on 2 August 2013. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST. Holders of Depository Interests in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the Depository Interest holder concerned to take (or, if the Depository Interest holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time. In this connection, Depository Interest holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
